California Wildfires and Borderline Bar & Grill Shooting

If you, or someone you know, have been impacted by the Woolsey and/or Thomas fires, mudslides, or the Borderline Bar & Grill shooting, therapy can be highly beneficial in assisting with these challenging situations.

California Lutheran University has recently received grant funding for their Community Counseling Services, and invites you to come in for free therapy sessions.

To find out if you are eligible for free services, please contact the clinic nearest to you. Low-fee therapy sessions are also available for those who do not qualify for the grant.

COMMUNITY COUNSELING SERVICES

Si usted, o alguien que usted conoce, ha sido impactado por los incendios de Woolsey y/o los incendios de Thomas, los deslizamientos de lodo, o el tiroteo del Borderline, la terapia puede ser altamente beneficiosa para ayudar con estas situaciones desafiantes.

California Lutheran University ha recibido fondos de subvención para sus Servicios de Consejería Comunitaria, y le invita a venir para sesiones de terapia gratis. También están disponibles sesiones de bajo costo para aquellos que no califican para la subvención.

Para saber si es elegible para recibir servicios gratuitos, comuníquese con la clínica más cercana.
